Discussed Christian Distinctiveness - what does it mean

Collective Worship Assessment form – to look at next time

Talked about the outside quiet / sacred space designed by last year's worship council. We will look at their designs of the Sacred Area and see what we think. Concerned that footballs will end up in it because it is behind the goal posts. Need for a fence.

Took a photo and asked Mrs. Harris to put it on website

Went for a brief walk around the school looking for Christian symbols especially found in the hall.

Pupils are to ask their teachers about the Worship Badges. Rev Fiona checked that they had been ordered by speaking with Jess.

Next meeting 11<sup>th</sup> December
