SCHOOL COUNCIL

Last week the student council represented the school at the opening ceremony of the Pedersen way cycle/walking route in Littlecombe.

It was a wonderful event where Olympic cyclist (gold medallist) Chris Boardman spoke about the importance of an active lifestyle and having safe accessible routes for cyclists, especially children. There were Pedersen bikes on show and lots of cyclists.

We all had a wonderful time and the children all behaved impeccably. We hope many of our Cam Hopton families will enjoy using this new route.

Please look out for messages from teachers of Class Dojo for their individual arrangements if it is their PE day.

ATTENDANCE

Attendance – Requests for Holidays during term time

Legalities of School Attendance. In England, parents are legally responsible for ensuring their child receives full-time education, with compulsory attendance from the term after their 5th birthday until the last Friday in June of Year 11. Children must attend regularly—every session, every day—unless granted permission or too ill.

In line with the National Attendance Regulations, which informs the school's Attendance Policy, term time holidays **cannot** be authorised. Absences related to family holidays will be recorded as unauthorised, with 10 sessions (5 days) of unauthorised absence triggering a potential £80–£160 Penalty Notice.

Important Information:

- The Penalty Notice is £160 per parent, per child, reduced to £80 if paid within 21 days (for the first penalty notice issued within a rolling three-year period).
- A second penalty notice issued within a rolling three-year period is payable at £160 for the full duration of the payment period.
- If the fine is not paid within 28 days, the matter may be escalated to the Magistrates' Court under Section 444 of the Education Act 1996, which could result in a criminal conviction and a fine of up to £1,000.
- There is no option for a third penalty notice to be issued within a rolling three-year period; a third offence will proceed immediately to the Magistrates' Court under Section 444 of the Education Act 1996, which could result in a criminal conviction and a fine of up to £2,500.

We understand that family time is important, but we must also stress the importance of regular school attendance and the legal responsibilities placed on parents to ensure their child attends school regularly

PRAYER FOR YEAR 6 CHILDREN TAKING THEIR SATS NEXT WEEK

Dear Lord,

As I take my SATS, I thank you that my value is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together.

As I take my SATS, bring back to my mind everything I have studied and be gracious with what I have overlooked.

Help me to remain focussed and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me.

Amen

Donations Needed – Outdoor Learning

We require spare old wellies/waterproofs (puddlesuits, trousers and coats) for our Outdoor Learning area. If you have any of these items that your children no longer need/have grown out of please can you bring them into the school office.

Thank you

POLITE NOTICE

We kindly ask that parents and carers refrain from smoking or vaping outside the school grounds and along the green. There has been an increasing number of people smoking or vaping at the school gates and on the footpaths leading to school.

As a community, we want to model and encourage healthy behaviours for our children. Keeping these areas smoke-free helps us promote a positive, health-focused environment for everyone.

Thank you for your support and cooperation.

PARKING & SAFETY CONCERNS AT PICK UP & DROP OFF

We are very aware that the parking at school is far from ideal with it often being very busy and congested. May we ask again that parents park considerately, sensibly, and legally. Please make sure that **you are not parking on the zig-zag lines to the right of school, on any double yellow lines, in the entrance to Elm Lodge, blocking junctions or blocking residents' driveways.**

We rely hugely on parents making the decision to park sensibly and safely. Please keep your child's safety in the forefront of your thoughts when choosing where to park your vehicle.

We wanted to let you know about the upcoming Bikeability Holiday Course taking place during the May half term. This is a great opportunity for pupils who may have missed Bikeability training in school to still take part and learn an important life skill through cycling.

Cycling helps children build confidence, independence, and physical activity into their daily lives. It also plays an important role in road safety, helping pupils develop the skills and awareness they need to ride safely, understand the road environment, and make safer journeys.

We would be very grateful if you could help promote this opportunity by including it in your school newsletter and sharing it across your school network with parents, carers, and colleagues.

Further information and booking details can be found here:

<https://www.thinktravel.info/upcoming-events/bikeability-holiday-courses>

We also wanted to highlight that we will be running two further holiday course sessions, during the summer holidays and October half term, so there will be more opportunities for pupils to take part later in the year as well.

Longer Version:

Junior Sailing – Learn New Skills While Having Fun On The Water (Ages 7-17)

Frampton on Severn Sailing Club is running a series of friendly, affordable sailing courses for young people this spring, perfect for beginners and those looking to build confidence on the water.

No boat or buoyancy aid needed, we'll provide those, just a wetsuit and the ability to swim! Our RYA qualified instructors teach in small groups, so you know you'll get the attention you need.

These sessions lead into the club's popular Junior Week during the summer holidays – a fun 5 days of sailing and outdoor activities for 10-17 year olds, keeping them off their devices and active, while building skills and confidence, safely.

If you've been seeking something for your teenager/family to do - sailing is a brilliant option. It's unusual in that 7 year olds, 37 year olds, and 77 year olds can all compete on an equal footing!

Our junior and family programme runs all year round, blending structured training, fun social sailing, friendly racing, and big annual events that bring the whole club together. We're a close-knit, volunteer-run club, and families are always welcome – to sail, to support, or simply to enjoy the atmosphere.

Family annual membership (2 adults and all dependent children up to age 18) is just £12 more than single adult membership – or juniors can join by themselves for £51. Beginner courses for junior members are £90/£80 (for 5 full day/7 half day sessions). Training begins soon, and places are limited, so early booking is recommended.
