

Minutes Meeting 15th April 2026

Present : Jaxson, Sorelle, Mollie, Brandon, Ruby, Oliver, Lola and Elphia

Purpose: Look at sketched ideas. Happy with sketch and selection of plants

Words in red are possibly work that can be done in Term 6

Outside Reflective Space: -

LOOKED AT PP of the sketch idea from previous visit-

Feedback?

Update that a fence is going up...

Reminded that we could we have Stars, pictures, twinkly lights in the Quiet reflective space on the field.

Went to look at the reflective quiet space as it was dry. Pupils enthusiastic about it being made. They were insistent that a fence – woven and quite tall, needs to putting up to stop the football from coming in.

They suggested planting ‘colour’ – bluebells, snowdrops, bulbs – daffodils and tulips, strawberry plants. And sensory plants like Lavendar, Mint and Sage. Going to take advice from Ruby’s Mum who is a gardener.

The path needs starting again – remove the grey stones and make a path of suitable gravel. Area that is just a large sandy area – to get a tyre or large flat container **and fill it with stones hand painted by pupils -Yr6.**

Move bench into the area. Where from?

Could Year 6 be involved in creating the space after SATS?

NEXT TIME:.. We would like the Outside Classroom to be a QUIET SPACE.

How can this happen? MDSA could patrol the classroom? Or a pupil to patrol the classroom?

What about one year group at a time?

Could there be a junk making / den making area in the playground

Next Meeting date: 11th June

Action – send minutes to Mrs Harris, and possibly Mr Jackson?

- Fiona to speak to Ruby’s Mum
