Newsletter

What a fabulous week we have had at Cam Hopton! Nativity performances, science experiments and tree planting, to name a few of the exciting things that have happened! Of course this all follows on from the PTA Christmas Fayre last Friday, which was an outstanding success, raising over £2000! Thank you to our fantastic PTA for all of their hard work organising and pulling off such a fun, festive event! Also, a massive thank you to everyone for their donations towards the event—it wouldn't have been possible without them. We hope that everyone who wanted to was able to come and watch this year's nativity, 'Christmas Recipe'. I am sure you will all agree that the children all performed beautifully. We are looking forward to the festivities continuing next week with the KS2 Carol Concert, class Christmas parties and Class Showcases!
