CELEBRATING OUR WATER GARDEN ENVIRONMENTAL PROJECT

A few weeks ago, Cam Hopton was visited by Bishop Robert, Reverend Fiona, representatives from Atkins, Severn Trent Water and the Dioceses of Gloucester. The Year 6 Worship and School Councillors acted as ambassadors for Cam Hopton during the visit and were filmed giving their opinion on the environmental project that has recently been undertaken on our school grounds. They did a fabulous job. The Dioceses of Gloucester commissioned the making of a short video to showcase the final product of the project—you can watch this by clicking on the link below:

SPORTING ACHIEVEMENTS

Jack Masters has been competing throughout the 2022 race season with Dursley and District Motor cross Club and Corsham Schoolboy Scrambler Club. He is also entering the prestigious Bridgestone Masters and the BSMA.

At the recent end of race season presentation, Jack won 'most improved rider of 2022' for Corsham Schoolboy Scrambler Club. After starting motor cross at the Lee Dunham Racing School, Jack was keen to join a local race club who support new riders.

Below are Jack's comments on why started participating in Motor Cross:

"After Covid, I really need to focus on something. My confidence was low and I was feeling a little lost. I decided I wanted to try Motor cross and went down to a race school in Nibley. It was there that my confidence grew and I started to really enjoy riding and setting myself new challenges each week. I am so excited for the 2023 race season!"

PENATHLON AT KLB

Congratulations to our Penathlon team who took part in a tournament at KLB School last Wednesday. All the children performed brilliantly and were given some beautiful medals for coming in 4th place. Well done to everyone involved; they were fabulous representatives for Cam Hopton.

YEAR 5 & 6 GIRLS FOOTBALL TOURNAMENT

A massive well done to our Year 5/6 football team who took part in a 'friendly' tournament at Rednock School last Wednesday. Many of the children taking part had never played in a football match before, so they did brilliantly to come 4th.

All of the girls did really well and played in at least three of the eight matches. We found some new football talents and hoping some of the girls may join a local girls' team now. We are all very proud of how they conducted themselves. They were a credit to Cam Hopton's community.

MUSIC ACHIEVEMENT

A massive well done to Gabriel Pereira who recently passed his Grade 1 Piano exam with a merit!
