PARKING CONCERNS

Unfortunately we need to bring this topic to the attention of parents again. We are very aware that the parking at school is far from ideal with it often being very busy and Parents can struggle to find parking at drop off and finish. May we ask again that parents park considerately, sensibly, and legally to ensure that we are not faced with this issue again. **Please make sure that you are not parking on the zig-zag lines to the right of school or in the entrance to Elm Lodge.**

Unfortunately due to the fact Hopton Road is a public highway and not a private school car park, we have limited influence regarding how the road/parking is policed. So, we rely hugely on parents making the decision to park sensibly and safely. Please keep your Child's safety in the forefront of your thoughts when choosing where to park your vehicle.

CAN YOU SUPPORT OUR LIBRARY?

Reading and books can be a lifelong passion and comfort; hopefully you all had the opportunity to discover this when you were about the same age as our children!

A good book offers the chance to escape for a few moments from the stresses and strains of our busy lives; the chance to experience the joy of finding out something new or the chance to be inspired by the brilliance of others. Books can also support the '5 ways to well-being' which we all now know are so important for helping maintain our mental and physical health.

We want to help our children develop their love of books, and the written word in all its forms, reaping the benefits it brings.

As you may be aware we are trying to give our library a revamp and make the most of the space available. We want it to be a warm, welcoming and vibrant place for the children; a place that they want to visit and spend time in, giving them the opportunity to find pleasure in books.

We have been able to access some funding and charity support which has allowed us to organise, add to and replace some of the books. This has included a generous donation from Dursley Round Table; Dursley Rotary Club; Renishaw and support from our super PTA. Additionally, we now have an amazing parent who has agreed to support us with our library revamp-thankyou.

There is just one last area to address, the library furniture has become dated and tired- we desperately want to replace some of it! We have ideas but need more money to pay for it. We understand that financially times are not easy at present but we are hoping parents or guardians who work for, or own, a business operating in the local area might consider sponsoring some of our new furniture?

Any support would be much appreciated. Please contact admin@camhopton.gloucs.sch.uk if you would like more information.
