SPORTS DAY 2023

We had a wonderful Sports Day on Wednesday with KS2 and KS1 participating in a variety of sporting activities. It was fantastic to see so many parents in school supporting and cheering for the children. There was a lovely atmosphere around the school, especially during lunchtime when many grown-ups had picnics with their children. Well done to all the children who took part and thank you to all of our amazing staff, especially Mr Jackson, for organising and making the day run smoothly. Huge congratulations to all of the children in Jenner, who were this year's Sports Day team winners!

K'NEX CHALLENGE

A huge well done to Iris and Jack C in Year 6 who attended the county finals of the KNEX challenge this year.

They were invited to Renishaw to create a mechanical model alongside the other finalists. This was also part of continuing work we do with the STEM organisation, which encourages children to have a go at Science, Technology, Engineering and Maths activities in school.

SWIMMING GALA

Yesterday afternoon, eight pupils from upper key stage two represented Cam Hopton at the school Swimming Gala at Dursley Pool.

The children had to swim 25m of the pool using a variety of swimming strokes. They raced against nine other local schools.

Mrs Harris and Mrs Browning were extremely pleased with the children's behaviour, attitude and perseverance at the event.

All the children did extremely well in each of their events. Overall, Cam Hopton came third.

A big well done to Oliver Wardle, Jacob Howard, Erin Daniel, Ruby Evans, Isla Jelf, Isla Coulsting, Henry Cooke and Angus Rawsthorn.

ST JAMES' CITY FARM

On Monday 22nd May, Freya Williams and Stevie Watling visited St James' City Farm. The volunteers there took the time to introduce Freya and Stevie to all the animals and Hester taught them lots of things about safety around animals and animal care. They enjoyed making a healthy packed lunch to take with them. They were able to walk a pony and feed some pigmy goats. Freya said her favourite thing was walking the horse called Cookie and Stevie liked feeding the goat some Broccoli. Her name was April.

PTA EVENTS

The Everest Marathon is an international high altitude adventure sports event held on May 29 every year from Mt. Everest Base Camp crisscrossing the high Sherpa trails of Khumbu valley. The 2023 edition is the 19th edition of this magnificent event, to celebrate the 70th anniversary of the successful ascent of Mount Everest by Sir Edmund Hillary and Tenzing Norgay Sherpa.

Scott Temlett will be taking part in this event next month. All self funded, Scott will be raising funds for his daughter's school and all monies donated will go to Cam Hopton Primary School Association (PTA) to help raise funds for new outdoor equipment for the children to enjoy.

MAY SPORT CAMPS

IMPROVING CHILDREN'S MENTAL, ACADEMIC AND
PHYSICAL HEALTH THROUGH SPORT

Berkeley Primary School, Marybrook Street, Berkeley GL13 9AZ
Tuesday May 30th- Friday June 2nd (Reception to Year 6)

INDIVIDUAL DAYS £18 - 4 DAY BLOCK £50

The PE & Sports Project uses elite level coaching practice, to provide the children with a fun, engaging, successful and positive experience.

We use our advanced 'exploration-discovery-competition' model to give the children the independence and responsibility to think and to solve problems for themselves whilst supporting and encouraging their development in a wide range of different sports.

On top of the highest-quality instruction for the sport itself, the children learn social-emotional skills and awareness in their self-management, self-awareness, social awareness, relationship skills and responsible decision-making.

Children & Parents' Feedback

100% of parents would recommend our camps to their friends' children

"You know what I like about you, you take it past the the limits, it's so much fun" Ethan yr 6

"Just wanted to say thank you for a great 3 days at Cam Woodfields school. My children both thoroughly enjoyed it and were really enthusiastic about the whole experience."

"We really hope you'll be holding some more sessions in the school holidays. We will definitely be recommending it to friends (already have done!)"
