Newsletter

For the final newsletter of 2022-23, we wish you all a great summer break. We would like to thank everyone who has played a part in yet another successful year at Cam Hopton, including PTA members, governors, staff, parents and pupils. Today we said goodbye to our Year 6 pupils, who are moving on to secondary school. We look forward to hearing news on their achievements.

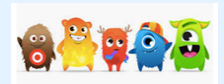

We also said a very fond farewell to Mrs Senekal who is moving on to pastures new. We would like to thank her for her commitment, dedication and hard work over her time with us and we wish her all the very best for the future.

REMINDER – From the **4th September**, the time that children need to be in school for registration will be **8.40am**. Gates will continue to open at 8.35am, but will close at the earlier time of **8.40am**. If children come into school after this time they will need to come through the main office.

COMMUNITY EVENTS

THE LIBRARY CHALLENGE

The Library Challenge aims to encourage children aged three to 12 years old and their families to discover everything their library service has to offer.

Children can find out what their library means to them by completing a range of tasks, including reading any books they choose, taking part in events and getting into nature.

Participants will receive incentives and prizes along the way, with a firm focus on discovering new interests and having fun.

Running from 15 July to 16 September 2023, The Library Challenge aims to encourage children and families to access their local library services and celebrate their own journey.

The theme is music and there will be plenty of tuneful fun and excitement to be had, with a whole host of events happening across the county.

Joining The Library Challenge is free and all 40 libraries across the county will be taking part.

Library membership is also free to any resident in Gloucestershire or neighbouring county. To sign up for The Library Challenge, visit your local library from Saturday July 15 or at any point during the summer and speak to a friendly member of the team.

Visit gloucestershire.gov.uk/libraries/thelibrarychallenge to find out more and you can also follow Gloucestershire Libraries on social media for updates. To find events and activities happening in your local library this summer and beyond, and to book your places for free, go to gloucestershire.spydus.co.uk
