Introduced ourselves

Talked about 'What is Worship Council?' – looking at the distinctively Christian ethos, physical and spiritual content of Cam Hopton, a C of E school. Discussed changing things – eg the lunchtime prayer and also placing sheep around the school to tell the story of the Good Shepherd. How can we make the outside space more 'Christian?' How can we make a difference?

Action: To look out for Christian distinctiveness around school.

: To complete 'introduction cards'

: To take photo of the Worship council

: Put names and photo on school website

: Mention assessment of Collective Worships (form to fill in from Jess)

Next meeting 26th October 2023 at 9:30am

Agenda next time – Yr 6 to fill out introductory sheet, consider hiding sheep around school, take photo, and review lunchtime prayer
