

Worship Council

Agenda 1st February 2024

- Photos
- Review of last meeting
- Use of the bible in Open The Book and school
- Look at writing new lunchtime prayers.
-

Minutes 1st Feb

Present: Ben, Finn, Clover, Betsy and Ethan, Esme, Toby

Apologies: Evie

We decided not to take a new photo of the Worship Council for the website as Evie was not present. We will aim to take the photo on a school iPad next time.

The students introduced themselves to Revd Catherine and brought her up to speed on their previous discussions.

Discussion about use of the bible in collective worship:-

Following comments in a previous Worship Council the Open the Book team have begun to sign post where in the bible the stories come from. Each week we now put on the slide the bible reference and hold up a bible and explain where the story is. The council fed back that they felt this was a helpful addition to worship.

We met in the library and it was noticed that no bibles were placed in the library so we made the decision to put a book of bible stories and a bible on display on the shelves.

Discussion about hiding sheep:-

The council shared with me their thoughts about hiding sheep around school. The aim of this would be for children to find the sheep in order and the story of the Good Shepherd would be revealed. This is on hold until the spring term when Fiona is back.

Discussion about Lunchtime prayers

Worship council shared that they would like to update the lunchtime prayer as the current KS2 one is felt to be too long.

We agreed to have a look at some sample prayers at our next meeting.

Next Meeting March 14th

Revd Catherine Coomber
