Newsletter

As you may already be aware, we do not currently have any Wi-Fi at school, which has added a hectic element to this week! For the most part, teachers do not have access to Class Dojo as readily as normal, so until the Wi-Fi is fixed, we ask that any messages regarding collection arrangements come through the school office please. There may also be a delay in school posting segments on school events, via newsletter or Class Dojo school story, so please bear with us. Thank you for your support and understanding with this.

Please join us on for our Easter service on **Monday 18th March**, St George's Church, at 9.30am. All children will be attending, but unfortunately, **only one person per family** is invited to attend at this time, due to space constraints in the church.

Following on from the success of last few years' collections, we are collecting Easter eggs to be donated to GL11 Community Hub and the Food Bank. If you feel like you are able to donate anything, there will be a donations box situated in the school office. Thank you!

TRUSSELL TRUST-FOOD BANK SUPPORT

The Trussell Trust welcome and support everyone who is referred to them, always acting with respect and without judgment. Volunteers will give a minimum of three days' emergency food and essentials and offer support to resolve some of the difficulties you might be facing.

If you are in need of a food bank voucher, due to a change of circumstances, an unexpected bill, payment delays or any other reason, please email Lisa Hills, our family support worker, who will be able to help.

BIG WALK AND WHEEL 2024

We have some exciting news for you! We are taking part in the 15th year celebration of Sustrans Big Walk and Wheel, the UK's largest inter-school cycling, walking, wheeling and scooting challenge. The challenge runs from 11-22 March 2024. It's free to take part and we would love everyone to be involved.

What do you need to do?

Encourage your child(ren) to walk, use a wheelchair, scoot or cycle to school on as many days as possible during the event.

Why we are taking part?

Sustrans Big Walk and Wheel is a great way to build physical activity in children's daily routine, which is important for their physical health and mental wellbeing.

Active school runs also help to reduce congestion and air pollution outside the school gate. [A 2021 YouGov study](#) showed nearly half of UK children worry about air pollution near their school. And that children thought active travel was the best away to bring down these pollution levels.

Plus there are some great prizes to be won every day if we get enough children taking part!

Useful resources

To help you prepare, Sustrans has developed a handy free guide to walking, cycling or scooting to school. It is packed with advice to help you have hassle-free journey to school.

Download your free family guide using this link: <https://www.sustrans.org.uk/sign-up-to-receive-your-free-school-run-guide/>
