We hope that you have all been able to enjoy the sunshine this week – long may it continue!

With the arrival of the nicer weather, we have been collecting an ever-growing pile of lost property in the office, with 10 un-named jumpers being handed in today alone! Please can we ask that you check all items of clothing, to make sure they are clearly labelled and to ensure that they can be reunited with their owners should they get lost! Please feel-free to come & have a rummage through the pile if you are missing anything.

Any items of clothing that remain unclaimed by the end of term, will be donated to the PTA preloved collection.

How do you use Maths every day in your work?

If you can answer this question, we need your help!

We are looking to inspire the children at Cam Hopton to see how adults use Maths every day in the wider world.

On the 6th and 7th June, we are celebrating all things Maths at Cam Hopton. We would love if some volunteers from our school community would come in to speak to a class of children about how they do Maths in their job. You might work in health or animal care, be an architect, a chef, work in retail or be an accountant. The list is endless.

If you think you could help, please speak to Mrs Arkle or Mrs Ractliffe (Y2/Y4).

As part of the learning we will be doing on these days, we would like to invite Year 1 and Year 5 parents to join us too!

Year 1 parents are invited to join their child from **2:15-3:00** on Thursday 6th June in the hall.

Year 5 parents are invited to join their child from **3:10-4:00** on Friday 7th June in the hall.

Please let Mrs Arkle know if you would like to attend.

If there are any spaces, we will open the opportunity up to other year groups.

PRAYER FOR YEAR 6 CHILDREN TAKING THEIR SATS NEXT WEEK

Dear Lord,

As I take my SATS, I thank you that my value is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together.

As I take my SATS, bring back to my mind everything I have studied and be gracious with what I have overlooked.

Help me to remain focussed and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me.

Amen

An online parent group course for separated parents to help manage conflict and minimise impact on children.

Getting it right for children

When parents are separating or separated, children can often get caught in the middle.

Getting it right for children is a free online course designed to help you parent co-operatively. It can help you to develop positive communication skills, so that you can sort out disagreements and find solutions together.

You will learn:

- How to stay calm and listen as well as talk.
- Why it's helpful to see things from a different point of view.
- What to do to stop a discussion from turning into an argument.
- Skills for finding solutions and making compromises.

Getting it right for children Group Course

How do I access a group?

Arguing better

Disagreements are a normal part of life, and most couples argue from time to time. The way you approach these conversations can make a big difference to you, your partner, and your children.

Arguing better is a free online course to help you manage difficult conversations, avoid conflict, and improve things for your whole family.

You will learn:

- Where stress comes from and how it can affect you.
- Ways to recognise stress and talk about it.
- How to support each other through difficult times.
- What causes arguments and how to stop them.
