K'NEX CHALLENGE

A huge well done to Nyesha and Sam C who attended the county finals of the KNEX challenge this year.

They were invited to Renishaw to create a mechanical model alongside the other finalists.

This was also part of continuing work we do with the STEM organisation, which encourages children to have a go at Science, Technology, Engineering and Maths activities in school.

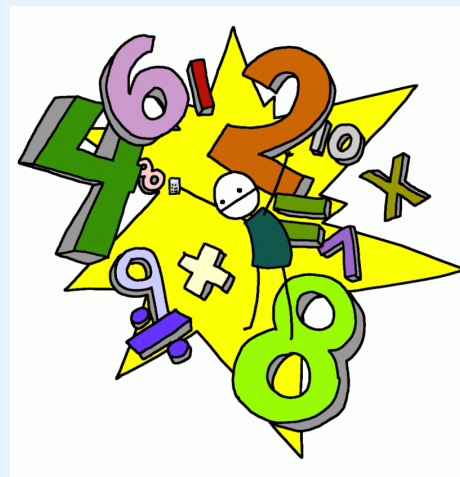

How do you use Maths every day in your work?

If you can answer this question, we need your help!

We are looking to inspire the children at Cam Hopton to see how adults use Maths every day in the wider world.

On the 6th and 7th June, we are celebrating all things Maths at Cam Hopton. We would love if some volunteers from our school community would come in to speak to a class of children about how they do Maths in their job. You might work in health or animal care, be an architect, a chef, work in retail or be an accountant. The list is endless.

If you think you could help, please speak to Mrs Arkle or Mrs Ractliffe (Y2/Y4).

As part of the learning we will be doing on these days, we would like to invite Year 1 and Year 5 parents to join us too! Parents/carers will have the opportunity to immerse themselves in a maths activity with their child 😊

Year 1 parents are invited to join their child from **2:15-3:00** on Thursday 6th June in the hall.

Year 5 parents are invited to join their child from **3:10-4:00** on Friday 7th June in the hall.

Please let Mrs Arkle know if you would like to attend.

If there are any spaces, we will open the opportunity up to other year groups.

SPORTS DAY 2024

Sports Day is being held on **Tuesday 11th June**. Parents/family members are invited to attend to watch their children. KS2 will be doing sports in the morning and KS1 in the afternoon. There will then be the opportunity for parents/family members to have a picnic lunch with children from both KS1 & KS2 on the school field over lunchtime. The timings for sports day are as follows:

10:00am: KS2 start

10:00 – 11:00am: By the War Memorial

11:00—12:00pm: On the school field

12:10—1:00pm: Picnic lunch on the field with parents/family members

1:10pm: KS1 Start

1:10—2:00pm: By the War Memorial

2:00-2:50pm: On the school field

Parents wishing to have a picnic with their child(ren) on the school field will need to send their child with a packed lunch or bring in their lunch for them on this day & **NOT** order a school dinner, as those having a school dinner will not be able to eat outside.

At the end of the afternoon children will return to their classes and be brought out to the gate as usual. Parents will not be permitted to take their children straight from the event.

SEN Teaching Assistant

To start Monday 2nd September 2024

Cam Hopton CE Primary School is looking for a caring and enthusiastic SEN Teaching Assistant to support a child starting Reception in September 2024.

This post is initially being offered on a fixed contract until 18th July 2025, or for as long as the child remains at Cam Hopton.

Hours: 27.5 per week. Monday to Friday. Term-time only.

Grade 3

Working within a class team, you will support the child's transition into school and enable access to learning opportunities appropriate to their level of development. You will be part of a vibrant, friendly and inclusive school and offered professional development to be as effective as possible in this role.

The application deadline is 12pm on Monday 3rd June 2024 with interview dates to follow.

Application forms and a job profile are available to download our website, under the vacancies tab, or from Mrs Jessica Arkle, Administrator –
admin@camhopton.gloucs.sch.uk or 01453 542763.]

Cam Hopton CE Primary School is committed to the safeguarding and well-being of all pupils and expects staff to share this commitment. In accordance with the DfE's Keeping Children Safe in Education 2023, references will be sought on all short listed candidates prior to interview and online checks undertaken. This position is subject to an enhanced DBS check.

Run to Paris

To celebrate the start of the Olympics Cam Hopton School children are going to collectively try and run the distance to Paris on Friday 14th June 2024. This will be a sponsored event so keep your eyes peeled for sponsor forms coming home soon.

Each class will have 45 minutes to run or walk a route around the school premises.

Each loop will be counted and totalled up at the end of day and will hopefully achieve the equivalent distance from school to Paris which is 319 miles.

Throughout the loop there will be various zones which will include, music, bubbles and water.

Children will need to wear PE kit on the day and bring a spare change of clothes.

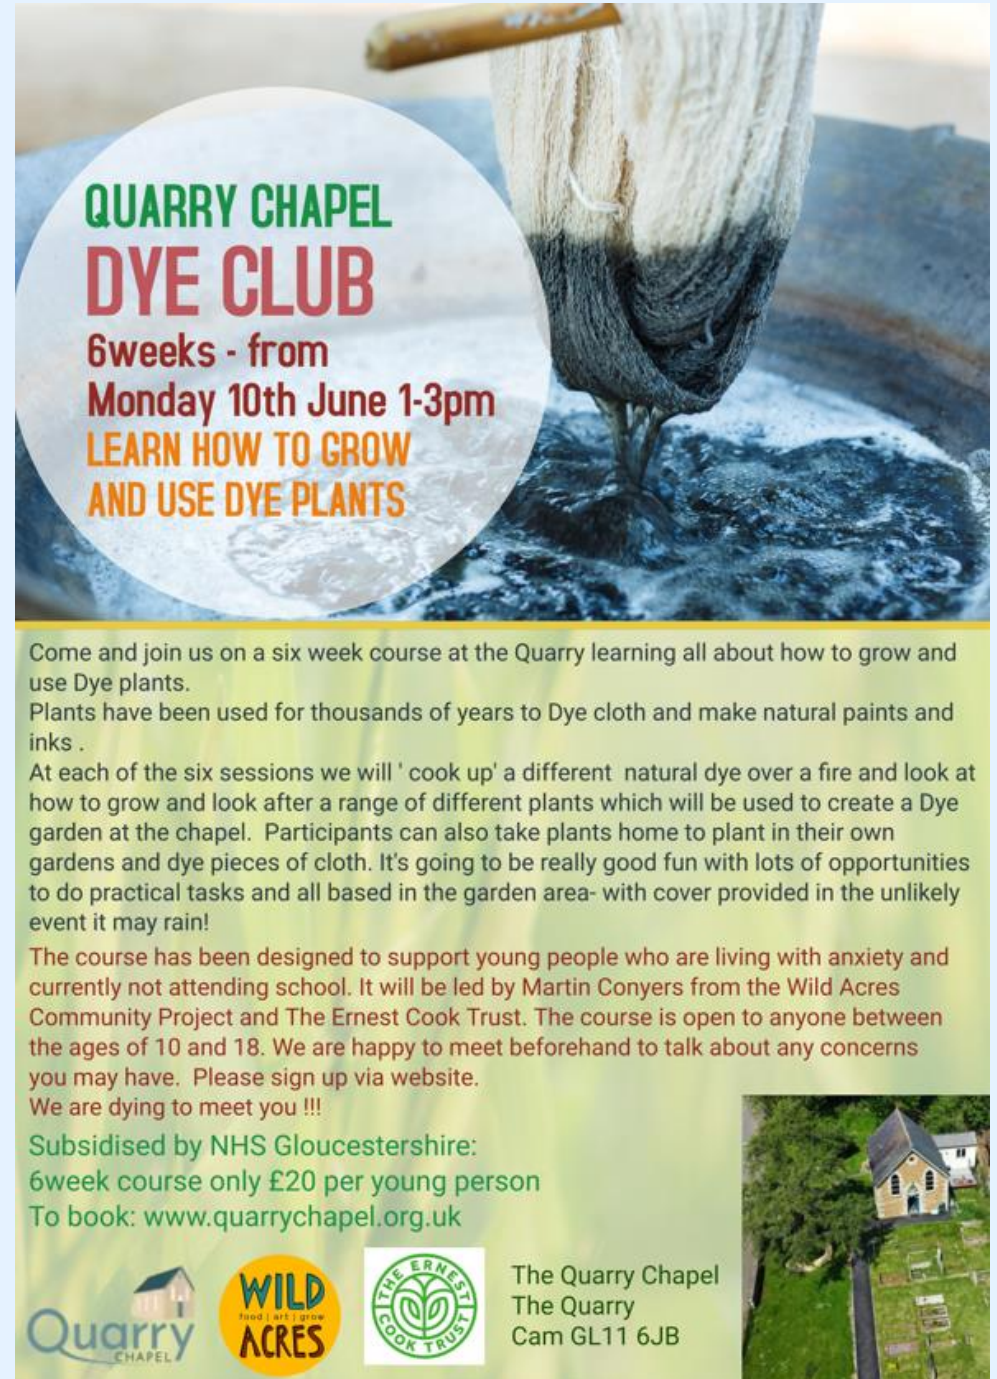

The poster features a whimsical illustration of a green beanstalk with a small castle at the top, set against a blue sky with a yellow sun and white clouds. A speech bubble from the beanstalk contains the text: "Grow your own beanstalks! Crafts 🌱 Treasure hunt 🌱 Storytime 🌱 Free books to take home! 🌱". The logo "The not so secret book club" is in a blue cloud shape, with "by Read with me" and a book icon below it.

Find us at Wotton Baptist Church.
Friday 31st May, 10am-12pm.

The poster features a circular inset showing a piece of fabric being dyed in a pot. The text "QUARRY CHAPEL DYE CLUB" is in green and red. Below it, in red, is "6 weeks - from Monday 10th June 1-3pm". In orange, it says "LEARN HOW TO GROW AND USE DYE PLANTS".

QUARRY CHAPEL DYE CLUB
6 weeks - from
Monday 10th June 1-3pm
LEARN HOW TO GROW
AND USE DYE PLANTS

Come and join us on a six week course at the Quarry learning all about how to grow and use Dye plants.
Plants have been used for thousands of years to Dye cloth and make natural paints and inks .
At each of the six sessions we will 'cook up' a different natural dye over a fire and look at how to grow and look after a range of different plants which will be used to create a Dye garden at the chapel. Participants can also take plants home to plant in their own gardens and dye pieces of cloth. It's going to be really good fun with lots of opportunities to do practical tasks and all based in the garden area- with cover provided in the unlikely event it may rain!

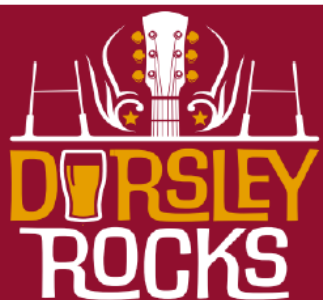

The course has been designed to support young people who are living with anxiety and currently not attending school. It will be led by Martin Conyers from the Wild Acres Community Project and The Ernest Cook Trust. The course is open to anyone between the ages of 10 and 18. We are happy to meet beforehand to talk about any concerns you may have. Please sign up via website.
We are dying to meet you !!!

Subsidised by NHS Gloucestershire:
6week course only £20 per young person
