Children who have shown 'Life in all its Fullness'

Well done to the following children:

GEM POWERS

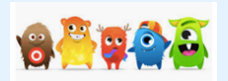

Children who showed our school values in their gem powers over the last week:

William Bevan, Teddy Stanulewicz-Cook, Belle Jones, Freya Williams, Nevaeh-Rose Watkins, Geoffrey Morgan, Ethan Newman, Enes Karakulah.

SPORTS SUPER HEROES

Sam Burton, Oliver Ball, Laurence Coulsting, Cooper Smith, Finn Barthram, Lemonie Fluester, Lily Stevenson, Liam Harris, Imogen Philips.

DOJO CERTIFICATE

James Owen, Cody Davis, Stevie Watling, Tyler Hanks, Megan Phillips, Samuel Workman, Lily Lynch, Connie Normansell, Ellie March, Katy Wraith.

Well done to all of our children!

U8'S AT DURSLEY TOWN GIRLS FOOTBALL CLUB

We have received some exciting news regarding football achievements of a few Cam Hopton pupils! Phoebe and Connie (Teddy normally plays, she was away with her family) competed in the Dursley Town Girls Football Club Festival of Football, at Dursley Recreation ground, last weekend. Two U8's teams were entered; Lionesses and Vixens. Their players are from all across the Dursley area. They played five games, winning three, drawing one and losing one. Lots of fun was had by everyone.

YEAR 4 LEARNING 'SEVEN Rs'

Last term, Year 4 were learning about the 'Seven Rs':

1. Refuse (saying no to things you don't need)
2. Reduce (using less)
3. Re-use (using things as thoroughly as you can)
4. Rot (turn any food waste into compost)
5. Recycle (recycle as much as possible)
6. Repair (repair rather than throwing away)
7. Re-think (work out creative ways to do things that are less damaging to the environment)

We thought about small changes that we could make to our lives that could make a difference. As a result, we ordered a battery recycling box for Cam Hopton.

Please see Laurence and Eliza's poster with more information

Mrs Ractliffe

WHAT BATTERIES CAN YOU RECYCLE?

25% of households incorrectly place batteries in the general rubbish.

20,000 tonnes of batteries are sent to landfill in the UK every year.

Recycle Your Batteries

Why recycle batteries?

BATTERIES CONTAIN MANY HAZARDOUS MATERIALS, INCLUDING HEAVY METALS AND TOXIC CHEMICALS. WHEN THEY ARE NOT DISPOSED OF CORRECTLY, HAZARDOUS MATERIALS CAN LEACH OUT OF THE BATTERIES AND CONTAMINATE SOIL, WATER, AND AIR.

How to recycle batteries at Cam Hopton

THE BATTERY BOX WILL BE LOCATED IN THE ENTRANCE HALL. FEEL FREE TO DROP OFF YOUR BATTERIES ANYTIME.

DATES FOR YOUR DIARY – SUMMER TERM 2

1.30pm - Year 6 Performance
6.00pm - Year 6 Performance

SPORTS DAY 2024

We had a wonderful Sports Day on Tuesday with KS2 and KS1 participating in a variety of sporting activities. It was fantastic to see so many parents in school supporting and cheering for the children. There was a lovely atmosphere around the school, especially during lunchtime when many grown-ups had picnics with their children. Well done to all the children who took part and thank you to all of our amazing staff, especially Mr Jackson, for organising and making the day run smoothly. Huge congratulations to all of the children in Tyndale, who were this year's Sports Day team winners!

DISTRICT SPORTS

This week, 30 of our KS2 children competed in throwing, jumping, sprinting and long distance running events at two district sports evenings at Rednock and Dursley Primary School. All the children showed excellent determination and pushed themselves to do their best. Well done boys and girls, we are very proud of you 🙌🏃‍♀️

RAGS 2 RICHES

A huge thank you to everyone who contributed toward yesterday's Rags 2 Riches collection. We accumulated a total of 226kg of donated items, which raised a total of £90.40 for the PTA! Fantastic! 😊
